VE DAY[®]

80TH ANNIVERSARY

A SHARED MOMENT OF CELEBRATION

May 2025

Halsall Scarecrows 2025!!

We would like to invite all our residents to join in with the creation and enjoyment of our scarecrows again this year.

The theme this year, should you need any inspiration, is **ARTISTS**.

You could try recreating a classic painting, sculpture or piece of art, make a scarecrow of a famous music artist or even create your own art installation! Of course, you may just wish to join in with your own ideas for a scarecrow. All are welcome!

As with previous events, we would encourage you to place your scarecrows on display by the **beginning of June** so they can be viewed throughout the month.

Our team is organising a **Scarecrow Trail Weekend** on the **21st & 22nd of June** where maps can be purchased for a minimal fee of £2. There will be a Trail Quiz, Name the Scarecrow, and a vote for the 'Best Scarecrow'. Return trail quiz entries will be drawn for raffle prizes.

All Halsall residents, businesses and community spaces are encouraged to join in. We will photograph your scarecrow for the competition vote and, if you wish, we can even help move your scarecrow to a central spot in the village for the Scarecrow Trail weekend. It will be fantastic to get as many scarecrows as possible so get thinking about your creations!

Further details will be available at <https://www.facebook.com/halsallscarecrows> in our June edition of Halsall News and on social media via Halsall Community page.

Any questions or offers of raffle prizes can be directed to Tara on 07585 228300 or Roy Kenyon on 07551 332948 or via the Scarecrow Facebook page.

Community Survey for St Cuthbert's, Halsall

St Cuthbert's Church has been at the centre of Halsall community life for hundreds of years and want to continue to be so for many years to come.

We are a friendly and welcoming church, open to everyone.

We want to make sure that our presence in the village is providing what you need and contributes to the good of our community.

To help us do this, we would love to hear from you as we take a fresh look at how we can work alongside one another.

HOW CAN YOU HELP?

Please complete this survey to help influence the future look of the Church in Halsall

Completing this survey online is the quickest and easiest way to take part and for us to collate the results, but feel free to use this paper version if it's easier. You can return your completed survey to church on Thursdays or to the school office. You can go to the online version at tinyurl.com/HalsallSurvey or scan this QR code.

We really appreciate your help and input.

This survey is being conducted by the PCC of St Cuthbert's Church, Halsall, with support from Church and Community Developer Dan Rous and the Diocese of Liverpool of the Church of England.

**If you require any survey assistance, please contact Dan on
info@communitydan.co.uk**

The Rector Writes

I planted the seed, Apollos watered it, but God has been making it grow. So neither the one who plants nor the one who waters is anything, but only God, who makes things grow.

(from Paul's first letter to the Corinthians, chapter 3: verses 6 and 7.)

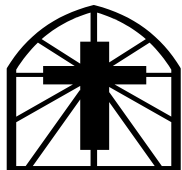

Growing plants involves selecting a suitable location, preparing the soil, planting seeds or seedlings and then providing appropriate care, including watering, feeding and weeding. For gardeners, then, May is a busy month, ensuring precious plants are enabled to flourish.

Our faith is similar. In order for us to grow in faith, we need to feel safe enough to ask the big questions around how we make sense of our complex and confusing world. Ideas need to be planted and allowed to germinate in their own time, watered by prayer and worship. That is why we need to create safe spaces, where we can be honest and allow all to speak without fear of judgement or ridicule. We need to hear each other's stories with care and respect and ponder how we can enable all to flourish.

That is part of what St Cuthbert's "Growing Together" open weekend (from Friday May 9th to Sunday May 11th) is all about. We aim to make space to listen together and learn what God is doing in our community. It is about nurturing those seeds within each of us, enabling us all to flourish no matter what challenges we are facing.

Why not be part of the conversation? We want to make sure that St Cuthbert's presence in the village contributes to the good of our community. To help us do this, we would love to hear from you as we take a fresh look at how we can work alongside one another around the parish. We really do want to hear your views, so we can grow and flourish together, as God surely intended.

Susan

YOUR CHURCH OF ST. CUTHBERT, HALSALL NEEDS YOUR HELP to raise £40K

St Cuthbert's is responsible for funding everything we do as a church. Despite what some people think, none of our activities are directly funded by the Diocese or the National Church. Whilst we have recently been fortunate to obtain a grant of £50k from the Archbishop's Council (part of the Church Commissioners), we need to find another £40k to complete the project to ramp the path to the standard needed as a grade 1 listed building and to work towards repairs to the West Window and the roof.

If you are able to support us, if you can, please give via

PARISH GIVING SCHEME

as all the money goes directly to us and we can claim gift aid on it if you are a UK taxpayer. This QR code will take you directly to our page.

FRIENDS OF ST CUTHBERT'S

You can also support St Cuthbert's by becoming "a friend". All the funds raised through this scheme are directed to the maintenance and repair of the church building and grounds.

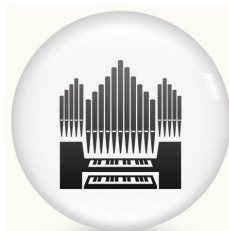

There is a minimum donation of £20 per year to join, but you can then choose how much and how regularly you donate.

For further information please contact info@halsallstcuthbert.co.uk

WILD & SEEK

Wild & Seek is a nature-inspired play space designed to nurture children's growth through outdoor, child-led play. Rooted in the latest research on child development, they provide a safe and engaging environment where kids can explore, take risks, and build confidence.

We offer 90-minute "Stay & Play" sessions for children aged 0-6, featuring open-ended natural materials, opportunities for movement, and spaces designed to foster creativity, social connection, and independence. We're open 7 days a week, with sessions running at 9:00am, 11:00am, and 1:30pm.

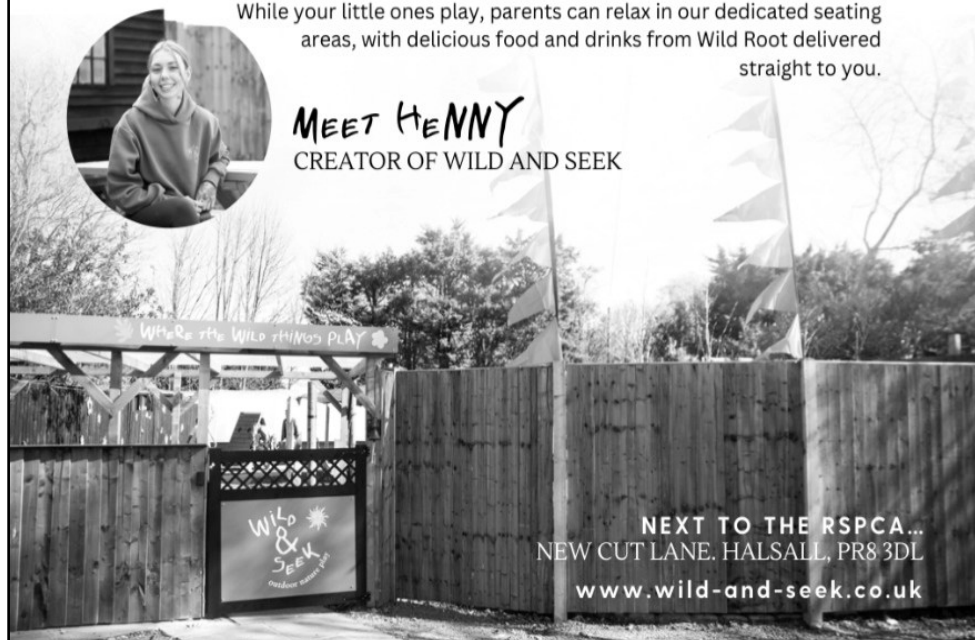

WHERE ARE WE BASED?

We are based at Wild Root. Wild Root is a plant-based café located on New Cut Lane, Halsall, proudly rooted in our community. Many members of staff, including the owner Charlie, and Wild & Seek creator Henny grew up in Halsall, attended St Cuthbert's Primary School, and remain deeply connected to the local community. In fact, Charlie and Henny are siblings with a shared passion for creating enriching spaces for families.

While your little ones play, parents can relax in our dedicated seating areas, with delicious food and drinks from Wild Root delivered straight to you.

New vacancy for a Co-opted Parish Councillor Please contact HalsallParishClerk@gmail.com for an application form. Applications close on 31st May and the selection process will be at the Council meeting on 11th June.

Annual Parish Meeting is a historic legacy event. All parishes (council wards, not church areas) should organise an annual meeting of electors to discuss items that could be escalated to the Parish council. Here in Halsall it is taken as an opportunity for the various voluntary groups to give an account of their activities and plans. This year we will try a new idea of having the meeting at 7:00pm on 14th May at St Aidan's Hall, immediately before the Council meeting.

Car parking on pavement. Many of our lanes are narrow and motorists want to give as much space as possible for other vehicles but it is inconsiderate and unsafe to force pedestrians and especially prams into the road because there is no space on the pavement. Please park safely for everyone; you, your passengers, pedestrians and other road users.

Potholes. Hopefully the resurfacing of Gregory Lane mini roundabout will see an end to the persistent potholes in this location but if you see other ones developing then please report them as soon as possible via Love Clean Streets app on mobile phones. You can also report flooding on highways due to blocked gullies and damaged road signs.

Halsall Parish Council has agreed to a Section 137 grant of up to £600 for a Summer Fete on Recreation Ground on 14th August. More details to follow as events are organised.

The Parish Council Website has been updated due to new regulations for government websites. We now have a calendar of all bookings at Memorial Hall and St Aidans Hall HalsallParish.gov.uk/whats-on/. One-off bookings are £15 per hour, regular events are £10 per hour. Please contact Cathy on 07935 657880.

Halsall Village Proud & Tidy Group

Planting is now all finished for this year in Bishops Walk. With expert guidance from Clare Edwards (Leader of the B's) we have used plants suited to surviving on a steep slope in semi shade. A few of the plants were donated but most were bought using funds we had raised from past events. Our ongoing task now is to keep the area free of weeds until the plants grow to cover the bare ground. Many thanks to all those involved in bringing this major project to completion. Our dates for working parties in May will be posted on the Halsall Village Facebook page

To find out more about our group please contact Eleanor Wroe elliwroe@hotmail.com or 07817 55 75 33 or Enid Banks enidbanks@aol.com or 07977 920 956

Lancashire Best Kept Village Competition

As well as entering our whole village centre into this year's competition, we have entered 4 items in Halsall into the outstanding feature classes. This allows individual areas to be judged against similar features in other villages. This year we are entering the Church, the School, the Cricket Grounds and the Inter-active History Notice Board on the wall at the Memorial Hall. Judging starts at the beginning of June for the 2025 competition and can continue right through until the end of August if we progress to the final rounds.

What does the Parish Council do?

The Parish Council acts as the voice of the community. Although the PC has very little power itself, we raise community issues and concerns with borough, county councillors and other authorities so that they can take action. We work with St Cuthbert's Church to prepare content and distribute a monthly newsletter to keep the residents informed about what's going on, local groups active in the area and to give local businesses a place to advertise.

The Parish Council also has an important role in signposting individuals to appropriate borough and county council departments and services. We keep people informed about local planning applications and decisions.

The Parish Council owns and has responsibility for St Aidan's Hall in Shirdley Hill as well as being the sole Trustee for the Memorial Hall and playing field in Halsall. Both halls act as community warm hubs in winter and are available for hire to support a wide range of community activities and events. Members of the Parish Council organise regular activities such as the fortnightly lunch club and fund raising quiz nights at St Aidan's and children's craft, film and family fun events in the Memorial Hall. The PC provides small grants to support local community groups such as the Bees and Butterflies Brigade, Halsall Proud and Tidy, Friends of the Green and helps maintain Shirdley Hill Village Green.

Parish Councillors are not paid and work voluntarily. They take a leadership role in organising other volunteers, such as for the group of local residents who helped redecorate St Aidan's Hall. The only part-time paid posts are for the Clerk and Assistant Parish Clerk who undertake the formal duties such as preparing agendas, calling Councillors to monthly meetings, recording and publishing minutes and taking responsibility for banking and keeping the finances in order. It takes a surprising and huge amount of work and time to organise the hiring out of the two halls and take responsibility for their maintenance.

The Bees and Butterflies Brigade (May 2025)

We don't often think about the varied and vital world beneath our feet, the world of our soil. Healthy soil is an amazing resource and when our soil is healthy it nurtures all kinds of natural environments (woods, meadows and hedgerows for example), holds lots of carbon and allows us to grow sustaining, nutrient-rich food.

Fundamentally, healthy soil is a mixture of broken-down rocks, dead and decaying plants and animals, fungi, air and water. In fact it is also teeming with all kinds of microscopic creatures! Estimates suggest that around half of all species on Earth live in soil and just one quarter of a teaspoon of soil can contain up to a whopping 10 billion organisms. Amazing isn't it?

The Bees and Butterflies Brigade will be taking the theme of "healthy soil" to St Cuthbert's School on Sunday 11th May as part of the Open Church weekend. We'll be at the Interactive Family Service at 4pm, demonstrating some of the ingredients that make up soil and helping the children to identify healthy soil. We'll also be making a simple wormery to highlight the incredible job that worms do to mix, aerate and enrich our soil – get ready for some dirty hands and fascinating worm facts!

Before that, you can join us for a fun and informative day on Saturday 10th May, when we'll be proud to show you our churchyard planting and tell you our planting plans for the future.
